Dear Mrs. Clerk,

I am incarcerated at the Plymouth County Jail awaiting release some time soon next month or after six months, with supervision order. It's been 22 months now since I filed this case with this Court. To my understanding the State respondent all ready filed its answer. I am at the Immigration doing time due to the reckless, bias and unconstitutional conviction by the state. This Court order is important and I am awaiting its final decisions. Please inform me if there is any changes to this case. I believe that this Court already have my new address above, throw me on the U.S. Court of Appeals Clerks.

Respectfully Submitted,

Art Perminic
